Somaiya Khatoon

Student at Aligarh Muslim University

Aligarh, Uttar Pradesh, India

Summary

I completed my schooling in Riyadh, Saudi Arabia, where I finished my 12th grade, and I am currently pursuing a Bachelor of Science (B.Sc. Hons) in Computer Applications at Aligarh Muslim University (AMU).

Throughout my academic journey, I have developed a strong interest in technology, problem-solving, and innovation. During school, I was awarded Second Prize at the International Digital Fest for my project "Automated IV Fluid Monitoring System", which strengthened my passion for applying technology to real-world challenges.

Beyond this, I enjoy exploring areas such as software development, emerging technologies, and digital innovation, and I actively seek opportunities to learn and grow.

I am passionate about continuous learning and look forward to contributing to projects where I can apply my skills to create impactful and practical solutions.
